

# Michigan Gang Slap By Black Is No Sensation

Lansing, May 28. (P)—Attorney General Eugene F. Black, breaking even further with his Michigan Republican colleagues, disclosed today he had offered his support to Governor Dewey of New York "for whatever it was worth" in the latter's presidential campaign.

Black made public a letter to Dewey written Wednesday which said he "would not support Senator Arthur H. Vandenberg (R-Michigan) because of the nature and repute of his political company here in Michigan."

Publication of the letter followed Black's speech last night in Port Huron in which he charged a "Michigan gang" controlled the Republican party of this state and criticized prominent Republicans.

"We know that they will do all in their power to deadlock this 1948 convention against the three wholesome—and younger—men they do not want in the president's chair and they do not want Dewey, Stassen or Taft," declared Black in a radio address (WJLS) last night.

The Port Huron Republican listed the leaders of the "potential gang" as:

Republican National Committee—Arthur E. Summerfield of Flint.

Former Gov. Wilbur M. Brucker

## Interlochen Radio Concerts Cancelled

### Mutual Avoids Trouble With Boss Petrillo

New York, May 28 (P)—The Mutual Broadcasting System said last night it is canceling plans for broadcasting from the National Music camp at Interlochen, Mich., to avoid "controversies" with James C. Petrillo.

The network said the projected weekly programs were dropped because Dr. Joseph E. Maddy, the camp president sought to "involve" MBs with the AFL-Musician union president.

MBs decided last Saturday to air programs by the high school musicians. Maddy said he was "glad Mutual gives more importance to law than to the dictates of Petrillo."

The program has not been broadcast since 1942 when Petrillo claimed the young amateurs were depriving professional musicians of work.

Phillips Carlin, MBS vice president in charge of programs, said in a telegram to Maddy yesterday: "X X X We find you have issued statements to the press without consultation with us in which you involve our networks as an instrument to further your controversies, and intimating that in scheduling such broadcasts we are in support of your differences with unions and other networks."

"That was not our object, and we feel that you have taken undue advantage of Mutual. In view of this, we cannot offer the time you requested."

## Thrifty Man Dies Hungry With \$2,000

New York, May 28 (P)—Herbert Tarbox was thrifty.

The 62-year-old former Army sergeant often told the manager of the rooming house where he lived he could live for a day "on a doughnut, a cup of coffee and 10 cents worth of potatoes."

Thursday afternoon, he collapsed on a street corner, and died seven hours later. Hospital attendants found \$984 in currency sewn into his clothing. His bankbook indicated deposits of \$1,238.

Chief cause of death was given as malnutrition.

## Radio Voice Under Fire In Capitol

By MARVIN L. ARROWSMITH

Washington, May 28 (P)—Four investigating groups—one ordered into action by President Truman—scrambled today to get to the bottom of the voice of America rumpus.

The drive to pin the blame for shortwave broadcasts which lawmakers blasted as sabotage and slander shaped up this way:

1. Mr. Truman said at his news conference late yesterday that he had ordered an inquiry into the radio programs. The president said he wants to find out who was at fault for the type of broadcast beamed to Latin America. But he noted the programs were not handled by the state department. They had been "farmed out" by the department to the National Broadcasting Company.

2. A House Expenditures Subcommittee headed by Rep. Cheno-weth (R-Colo.) scheduled a public hearing (9 a. m. EST) today. The group called as its first witness George V. Allen, Assistant Secretary of State in charge of the Voice of America broadcasts. These programs are intended to tell the world of the democratic way of life in this country.

3. In the Senate, where the fireworks started, two groups decided to pool their efforts and conduct a joint investigation.

The furore over the programs was touched off when Senator Capehart (R-Ind.) read to the Senate excerpts of broadcasts beamed late in 1947 and early this year to South and Central America.

Intended to portray life and history in the United States as seen by two travellers, they went like this:

"New England was founded by hypocrisy and Texas by sin."

"Utah, that's where men have as many wives as they can support."

"In no other part of the United States has the colored race struggled and suffered so much as here (in Alabama)."

All of that, and more about other states made senators see red. They called the programs sabotage, malicious, slanderous and a blow at the foreign policy and prestige of the United States.

of Detroit.

Wayne County Republican Chairman Arthur A. Iverson of Detroit.

Paul T. Graves, head of the Detroit Automobile Dealers association.

Black's accusations drew swift replies from his targets.

Iverson said "I would be glad to stake my political or personal reputation against that of Mr. Black anytime."

"I must confess to the good people of Wayne county," he went on, "that I made a grave mistake in supporting him and urging others to support him for attorney general."

Brucker declared, "He (Black) predicts that Michigan will play an ignoble part in the Republican national convention in Philadelphia if the delegates do not select either Taft, Dewey or Stassen."

"The delegates from Michigan intend to nominate Arthur Vandenberg as the next president of the United States. If Mr. Black calls this treason, let him make the most of it," Brucker added.

Summerfield, reached at his Flint home, said, "Mr. Black's obvious political speech was bankrupt of any facts to support his statements. Therefore I do not intend to dignify him in his smear campaign against the Republican party by answering him."

Black in a 20-minute talk reviewed events at the 1920 Republican convention at which he charged an "Ohio gang" engineered the nomination of Warren G. Harding, who was elected to the presidency.

Referring to the coming Republican gathering, the attorney general said:

"Here in our own state—and right under our very noses—we have a potential 'Michigan gang.' Its plans for Philadelphia are hidden in the smoke filled rooms of Detroit hotels."

"Do I hear someone say I am afraid to name names? Listen Mr. (Continued on Page Two)

# Last Jews Routed In Old Jerusalem

By MAX BOYD

Cairo, May 28 (P)—King Abdullah's forces announced the epic battle for the old city of Jerusalem ended today in the surrender of the last desperate Jewish fighters.

The fall of the old city, after two weeks of struggle between the Arab Legion and a small force of Jews, may signal the beginning

## Wife-Stealer Faces 199 Years In Prison

Rockford Farmer Found Guilty Of 2 Murders

Rockford, Ill., May 28 (P)—Glenn Marsh, 27 year old farmer who attempted to steal his neighbor's wife after slaying her husband and father, today faced a prison sentence of 199 years.

A circuit court jury last night convicted Marsh of murdering Grant Muhlelin, 52, of Northport, Mich., father of Mrs. Katherine (Kit) Anderson, 27, Marsh's paramour in his illicit romance. The jury recommended the 199-year sentence, which becomes mandatory.

The state did not ask the death penalty for Marsh, who last Jan. 16 was acquitted of murdering Mrs. Anderson's husband, Vernon, 28. At that trial the state had demanded death for Marsh, the father of two children.

Marsh, who did not testify at either trial, showed no emotion when the verdict was returned but his wife, Audrey, wept.

Both men were slain last Nov. 7 when Marsh invaded the home of Anderson's parents and abducted Mrs. Anderson after she had reneged on a promise to divorce her husband and marry him. She said she changed her mind after learning she might lose custody of her three young children.

Marsh forced Mrs. Anderson to accompany him in his car on a wild ride but she escaped after he had driven more than 100 miles. Marsh later surrendered and admitted the slayings.

**Bedroom Crash Fatal**  
Pontiac, Mich. (P)—James W. Whiting, 24, was killed Thursday morning when his car failed to stop at the end of a dead-end street and crashed into the first-floor bedroom of a home here. Mrs. Ethel Stottlemeyer, 42, asleep in the room at the time of the crash, suffered serious injuries when she was thrown across the room. She was taken to Pontiac General hospital.

## Train Kills Father And 2 Little Girls

Auto Driven Onto Tracks To Beat Divorce Case

Marion, O., May 28 (P)—A father bought two bottles of soda pop for his two little girls, made a last telephone call to his estranged wife and then drove his automobile into the path of a 70-mile-an-hour passenger train yesterday.

Victims of the triple tragedy were 41-year-old Charles M. Gerstenlauer, Marion dry cleaning firm owner, and his two little girls, Sandra, 3, and Gaye, 2.

Coroner E. H. Morgan of Marion county reserved a verdict pending receipt of reports from the State Highway Patrol.

Deputy Sheriff Ed Fink said Gerstenlauer deliberately drove his machine into the path of an Erie railroad Lake Erie Express train. Engineer Charles N. Lowe of Marion said the Gerstenlauer car was parked at the crossing as the train approached. He said it moved into the train's path when the engine was 150 feet away.

Mrs. Gerstenlauer filed for divorce about two weeks ago. The court at that time issued a restraining order to prevent the father from seeing his family. Gerstenlauer was called into court yesterday morning to answer a contempt citation on his wife's complaint.

# Mac Arthur-For-President Drum Beats Gaining Volume

SURRENDERS TO TEXAS — Ray F. Halloran of Cincinnati, Ohio, who wrote a prize piece telling why he doesn't like Texas, visited Wichita Falls, one of the cities he blasted. That was Ray's mistake. This bevy of Hardin College co-eds caught up with him at the country club there and dunked him in the swimming pool.

Halloran surrendered to Texas yesterday. Meekly he told 1,300 witnesses at the annual barbecue of the Madisonville Sidewalk Cattleman's association:

"I give up. Just call me Tex. This tour has sold me on Texas."

"Tex" Halloran of Cincinnati won the Cattleman's Association National Contest as the veteran with the worst opinion of Texas. He had said Texas' weather and scenery was harder to stomach than imprisonment in Tokyo.

"Tex" lost the war on Texas, so he's going to join her. He said he is considering moving to the Lone Star State and taking a job in Dallas.

Millions Lured Out For Vacation Trips Over Memorial Day

(By The Associated Press)

The nation started an extended Memorial Day holiday today and vacation lands and big cities alike lured millions away from their homes.

All indications pointed to a heavy volume of traffic over the highways, highways and railroads from today through Monday. The Memorial Day holiday, generally regarded as the opening of the summer vacation, is the first long one of the season.

In key cities across the country—except in parts of the south where the holiday is not generally observed—travel inquiries and requests for routings were heavy.

Jan Smuts Resigns South African Post

Prime Minister's Party Defeated In Election

Johannesburg, Union of South Africa, May 28 (P)—Prime Minister Jan Christiaan Smuts resigned today and Dr. Daniel Francois Malan, victor in Tuesday's elections, was called to form a new South African government.

Malan is an outspoken isolationist and his Nationalist party advocates segregation of the natives.

Smuts lost his own seat in parliament in the balloting Tuesday and his party lost its parliamentary majority to the Coalition of the Nationalists and the Afrikaners.

The 78-year-old statesman had only this to say: "These things happen. What is to be will be."

With unofficial results of Tuesday's balloting complete in 152 of 153 parliamentary races, Smuts' party—the United party—lost 65 seats in the assembly, the lower House of Parliament, to 69 for Malan's Nationalists. The Afrikaner party, linked closely with the Nationalists, won nine, the pro-government Labor party six; and natives favorable to the government three.

That would give a Nationalist-Afrikaner Coalition 78 seats, to 74 for the United party, the Labor party and the natives.

Announcement of the defeat of Smuts by 224 votes in his own district came with startling suddenness last night and was followed swiftly by a swelling of the anti-government trend in other districts. Smuts, 78, has been prime minister since 1939 and also served in that post from 1919 to 1924.

San Francisco, May 28 (P)—Col. John S. Dummer, 100, lone GAR veteran of San Francisco's Memorial Day program, won't be there. He fell at his Oakland home yesterday and suffered a head injury.

## Five-Star General Coming Home; Waits For GOP Convention

Washington, May 28 (P)—Gen. Douglas MacArthur said today he does not want to return to the United States until after the Republican National convention.

The allied supreme commander in Japan so advised chairman Bridges (R-NH) of the Senate appropriations committee in a cablegram. The committee had voted 17-2 to ask him to return from Tokyo and testify on economic matters in the Pacific area.

**Boom Grows Louder**  
MacArthur told Bridges "my return at this time, however sincere its purpose, would be misunderstood and condemned by many as politically inspired."

On the other hand, following settlement of the political issues to be resolved next month, I should feel free to place myself fully at your disposal if you still desire clarification of my views on this or any other matter affecting the public interest."

Bridges said "I can see his point of view on this thing." Bridges said he would place MacArthur's reply before the full appropriations committee as soon as possible.

The general has long been mentioned as a possible Republican presidential nominee. The boom for him grew louder after the Senate committee's vote yesterday.

**Will Accept Honor**  
Both of those who voted against asking the occupation commander of Japan to come home after more than 10 years in the Philippines and points west said they did so because of the political atmosphere.

MacArthur now has 10 votes on the first ballot for the presidential nomination—an honor he said he will accept if it comes his way.

But his friends contend the MacArthur candidacy—buoyed by the general's presence in this country—has explosive qualities. They think he can attract a lot of delegate votes if there is a tieup among the leading candidates.

There are some indications that backers of Gov. Thomas E. Dewey of New York, Harold E. Stassen of Minnesota and of Senator Arthur Vandenberg of Michigan would be just as well satisfied if the general stayed in Tokyo until the Republican

## Manistique Trooper Suspended, Kills Self

Just Back From Wedding Trip; Owed Alimony

Manistique, Mich., May 28 (P)—Suspended from the Michigan State Police because he married without the consent of his commanding officer, a 36-year-old trooper shot and killed himself here last night.

Sgt. Leo Van Conant of the State Police Post at East Lansing identified the dead man as Oliver Showlander.

He said Showlander drove his own car to a wooded section of the old US-2 highway about two miles from this Upper Peninsula city.

He used his .32 caliber pistol to inflict the fatal wounds, the officer added.

Van Conant said Showlander, a member of the State Police since 1935, was married May 19. He returned from his honeymoon Wednesday and was suspended immediately for failing to get the consent of his commanding officer.

The trooper turned in his regulation equipment at that time. Police reported Showlander had been married previously and owed his former wife, now Mrs. Alma Orr, about \$500 in alimony.

His second wife is Lois Duquette, 25-year-old widow.

Trooper John Ebbi found the body on the ground about 10 feet from Showlander's car, which was parked on a sidewalk a short distance off US-2.

Dr. James Fyvie performed the autopsy, but no inquest will be held. "All tracks and circumstances were investigated by the sheriff's department and the state police," William J. Sheahan, Schoolcraft county prosecuting attorney, said. "This office has not requested an inquest, as under the circumstances it would serve no useful purpose."

Showlander came to Manistique in 1945 and had 13 years service in the state police. He leaves his mother, sister and two children by his first marriage.

The body was taken to Kefauver and Jackson funeral home. Arrangements will be announced later.

## Accord Near In Chrysler Pay Dickers

Detroit, May 28 (P)—Chrysler Corp. and the CIO United Auto Workers went back to the bargaining table today somewhat hopeful of ending the strike of 75,000 production workers.

As negotiations entered a third day of tireless talks, a union spokesman said:

"We think there's a good possibility of cleaning it up today."

Close observers had that same optimistic view yesterday, but nine hours of bargaining failed to produce a settlement of the 17-day-old strike.

Robert Conder, Chrysler's director of labor relations, told newsmen prior to today's session that if an agreement was reached before the long Memorial Day weekend it would be a week from Monday before full production could be obtained.

The negotiators talked wages and contract terms for nearly nine hours yesterday in afternoon and evening sessions. Observers saw the conferees leave the second meeting rather grim-faced, and guessed some sort of difficulty must have developed.

Again there was no comment on progress of negotiations from either side. But it was reported that company and union men have left the conference room chatting and smiling at the close of other recent sessions.

Stepped-up bargaining began Wednesday following the UAW's Tuesday settlement with General Motors Corp. for an 11-cent hourly wage increase hitched to the cost of living.

## Murders Unsolved In Detroit Family

Stabbing Kills Mother; Daughter Strangled

Detroit, May 28 (P)—Police said today they thought Mrs. Augusta Kowalski, whose daughter was slain just 14 months ago, also was an intended murder victim.

Three men were held for questioning in the death of the 55-year-old mother.

One was her son-in-law, William Painter, whose wife, Leona, was choked and beaten to death in her Dearborn township home in March, 1947. The others were Leo Kowalski, 57-year-old ex-husband of the older woman, and Anthony Sikorski, a roomer in her home.

No charges have been placed against any of the three.

Dr. A. M. Altschuler, Wayne county medical examiner, held out a murder theory in the Kowalski case although an autopsy disclosed stab wounds in her chest were not the direct cause of her death yesterday.

Mrs. Kowalski, who expressed fear to a woman acquaintance that she would "go the way my daughter did," said she had been beaten by two men Wednesday.

She refused to go to a hospital but was worse yesterday morning and then agreed to go. She died very soon afterwards.

## ARMY CHAPLAIN TO GIVE TALK

Father Keefe Will Be  
At Carney Sunday

Rev. Fr. Anselm M. Keefe, O. Praem., of St. Norbert's college in De Pere, will speak on the topic, "Looking Back," at the Memorial Day dinner to be held at the Carney school 12:30 Sunday noon.

Father Keefe, a native of Oconto, Wis., has been a chaplain since 1924 and served consecutively in the Officers' Reserve Corps, the National Guard and the U. S. Army. During World War II, he served in Louisiana, South Carolina, Australia, Papua, New Guinea and the Philippines.

Following the dinner and address by Father Keefe, the honor escort and double color guard under the command of Francis Macco, commander of the Nadeau-Carney Legion post, will escort Rev. Charles E. Potter to the school dance, where he will present a flag.

After the flag-raising ceremony, Congressman Potter will be escorted to the athletic field, where he will deliver a Memorial Day address.

A softball game between Carney and Nadeau will be held in the afternoon, and a dance in the Nadeau parish hall in the evening.

## Cabbie, Father of 4, Killed In Quarrel Over 50-Cent Fare

Trenton, Mich., May 28 (AP)—A cab driver, father of four children, was shot to death Thursday night in what police said was the climax to a quarrel over a 50-cent fare.

The body of Harry Cherry, 30, was found by a motorist near this village in southeastern Wayne county. He had been shot in the head.

Sheriff Edward Behrendt said a 20-year-old steelworker, formerly of Kentucky, had admitted the shooting. He identified him as Burley Flanary of Trenton.

The sheriff quoted Flanary as saying he quarreled with Cherry May 12 when he was unable to pay the cabbie a 50-cent fare.

"I tried later to apologize but Cherry told me to go to hell," Flanary was quoted by Detective Arthur Dyckman. "Then I decided I was going to do something about it. About a week later I got the gun from a friend. I knew then I was going to take care of him in some way."

## Milwaukee Brother Says Czech Leader Is Very Sick Man

Prague, Czechoslovakia, May 28 (AP)—Jan Benes, elder brother of President Eduard Benes, told friends last night the president is "a very ill man and I have paid him my last farewells."

Jan Benes said he is returning to his home in Milwaukee, Wis., because of the serious illness of his wife there. The brother returned here from the United States late in 1946 to look after some family properties.

President Benes' 64th birthday is being celebrated today.

Wednesday the government denied reports from abroad that Benes is gravely ill and is not expected to recover. Another informant said, however, that Benes' doctors were worried over his condition and were taking precautions to prolong his life.

Jan Benes, who has been a resident of Milwaukee for 59 years, said he planned to leave for the United States in three weeks.

## Michigan Gang Slap By Black Is No Sensation

(Continued from Page One)

Citizen—the 'Michigan gang' I am talking into view is headed by Summerfield-Iverson-Brueker and Graves.

Black, who has said frequently that he will not seek reelection, centered much of his fire on Summerfield's role in Michigan Republican activities.

Referring to his own political career, Black declared:

"If I back in 1946 that precinct organization had known me for what I am, you may be sure that I never would have been nominated for the office of attorney general. \* \* \* And had I known them—about their political machinations as I know them now—I assuredly would have refused to let my name go before that convention \* \* \*"

Black, who has been active in investigations of reported grey market sales and activities by auto dealers in Flint and Detroit, criticize Secretary of State Fred M. Alger Jr., for not taking up the licenses of the dealers involved.

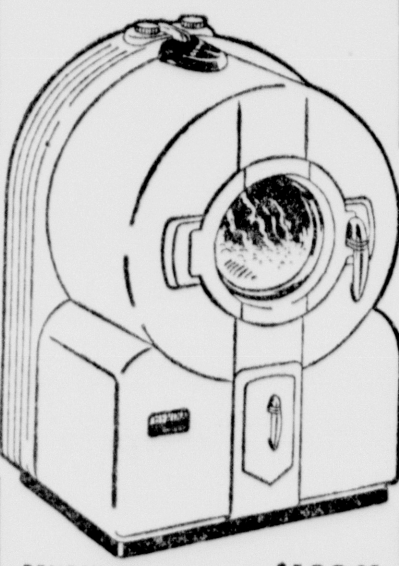

Of Alger, the attorney general said:

"\* \* \* Honestly, folks, I don't like to assail Fred Alger as I have done. Personally he is a gentleman and of the very sort of honor. But he is terribly weak when it comes to saying 'No' to his political fair-weather friends and you know what I mean—and there is our true point of disagreement."

Alger, in a former reply, said that Black's speech "is palpably ridiculous and far away from the fact."

"If Mr. Black were to review honestly in his own mind the happenings of the last few months," Alger said, "he would recall that he, and as a matter of fact Judge Skillman (Detroit Recorder Judge W. McKay Skillman, the auto rackets grand juror) agreed with me that an indictment was not a

The summer schedule for instrumental music students of the Escanaba school system, as announced by Albert Shomento, is as follows:

Mondays, beginning June 7, at the Webster school at 9 a. m., Tuesdays at 9 a. m., at the Franklin school. On Wednesdays, beginning June 9, students of Barr, Washington, Jefferson and Junior high school (beginners) will meet at the Junior high school at 9 a. m.

The Junior high school orchestra meets on Thursdays, beginning June 10, at the school at 9 a. m. The Junior high school band meets for rehearsal on Friday at 9 a. m., at the school.

Senior high school band rehearsals will be announced later. The groups above include both string and wind instruments.

Music students will have classes during June and the first two weeks of July.

## State Crews Work On Park, Highway In Rapid River

Rapid River, Mich. — Working crews of the state highway department are now improving the park site and highway in the Rapid River area. Underbrush is being cleared away for trailer parking and a gravelled driveway, to be coated with blacktop, has been made.

Blacktop will be laid for 500 feet west on M-186 to eliminate dust near the park. Graveling preparatory to laying blacktop has been completed on the stretch north from the park to Casimir and Johnson corner, and east to highway 41 to the Vancooks corner, a distance of one and a half miles.

Two blocks of blacktop will be laid in Rapid River, one block running east of Main street to the baseball park, and one block north to U. S. 2-41.

One-half mile of road in Whitefish will receive black-topping from the Whitefish corner at the Ranger station, and one-half mile on the road going north.

## Five-Star U. S. General Coming Home From Tokyo

cans decide who will top their ticket.

Dewey and Stassen are top contenders, along with Senator Robert A. Taft of Ohio. Vandenberg is doing so well not being a candidate that his friends say they are highly encouraged about his chances of becoming a compromise choice.

**Not Party Man**  
Taft's backers generally think the general's return may react to the Ohioan's benefit. They have hinted broadly that the general might be found in their corner, if he finds he can't walk off with the prize himself.

Taft commented to reporters that MacArthur's return is almost sure to "add to the gaiety of political life."

Some southerners who are sore at President Truman for proposing that Congress write new civil rights laws have been talking about MacArthur as a possible Democratic nominee.

The general hasn't been known as a party man. But months ago he let fly with praise of Republican objectives.

If Mr. Truman regards him as a possible rival—either for the Democratic nomination or as an opponent in the November election—the president didn't show it yesterday.

He told his news conference he will be glad to have MacArthur come home. He had invited the general twice before to do that very thing, Mr. Truman said.

He dated the first of these invitations shortly after the Japanese surrender, when Mr. Truman said he wanted to pin a medal of honor on MacArthur. About a year later, the president said, he urged the general again to come home. MacArthur replied both times he believed he should remain on the job in Japan.

## Schedule Liquor Hearings June 3 For 5 Licensees

The Michigan liquor control commission today announced that five Upper Peninsula licensees, including one in Escanaba and one in Gladstone, are scheduled to appear for hearing in the court house at Escanaba June 3 for arraignment on violation charges.

The licensees and the alleged violations are as follows:  
Leonard J. Moreau, 609 Stephenson avenue, Escanaba, charged with selling or serving to minors.

American Legion Club, 19 North Ninth street, Gladstone

## LINER VISITS ON SATURDAY

S. S. North American To  
Dock At 4:30 p. m.

The S. S. North American of the Georgian Bay Line will visit in Escanaba Saturday afternoon as a part of call on the liner's Decoration Day cruise from Chicago to Mackinaw Island and return.

The liner will dock at the municipal dock here at 4:30 o'clock Saturday afternoon and the cruises will be in the city until departure time at 8 p. m. This is the first visit of a lake liner to the local port this season.

The sister ship, S. S. South American, will visit in Escanaba on June 9.

## Planning Camp For Handicapped Youth

Marquette, Mich.—Gene LaRue former flyweight boxer who turned to billiards to achieve athletic powers after the loss of his left arm, has been in Marquette this week making preliminary arrangements for setting up the proposed La Rue Foundation planned as an agency for caring for homeless physically handicapped youths.

The Foundation, through which it is proposed to acquire property in Pequaming near L'Anse would establish a home to provide for advantages of education and training to enable handicapped boys and girls to take their places in society.

LaRue, who traveled throughout the United States when he was a boxer and over many parts of the world for appearances as a one-armed billiards player, lost his arm as the result of an accident and infection. His friends in the sports and entertainment world are interested in the problem and have offered to help him finance the project.

He attempted to build a similar home in Kentucky a few years ago, but after considerable work had been done he was forced to abandon his plans because of racial prejudice that formed an effective barrier to such an institution. "There will be no bars against anyone because of color or creed," he said.

## Dr. J. B. Macelwane Is Awarded Medal

Washington.—The William Bowie Medal, one of the highest honors in the field of the earth sciences, has been awarded to Dr. James B. Macelwane, S. J., director of the Institute of Geophysical Technology of St. Louis University and founder of the Jesuit Seismological Association. Dr. Macelwane played a leading part, during the war, in developing the system now used by the Navy in tracking hurricane centers by means of the trains of microseisms, or minute earthquake-like waves, that originate in the earth's rocky crust underlying the ocean floor.

## Recreation Leader Offers Classes In Escanaba June 1-5

ANNE LIVINGSTON

Miss Anne Livingston, of the National Recreation association in New York, will conduct classes in recreation leadership at the Escanaba Youth Center June 1-5 at 7:00 p. m. The training institute in Escanaba is open to all interested persons and is sponsored by the Escanaba Recreation department, the Delta County Youth Guidance committee and the National Recreation association.

"Adults, as well as children, need play," Miss Livingston, a skilled musician and recreation leader of wide experience. She has trained classes for leaders of children, teen-agers, servicemen and adults in recreation departments, schools, churches, service centers and youth agencies.

Leaders in Parent-Teacher associations, churches and other local institutions will find information on family nights, banquets, meetings, holidays and other activities, in the course. All persons interested are asked to register early with the recreation department, phone 1347.

## Escanaba Township Cemetery Will Be Dedicated Sunday

Rev. Fr. Arnold Dion, pastor of Holy Family church of Flat Rock, will deliver the dedicatory address at the Memorial Day services at the new Escanaba township cemetery 3 o'clock Sunday afternoon.

Mayor Robert LeMire of Escanaba also will speak, and Frank Hinn of Escanaba will sing a solo. Members of the American Legion and Veterans of Foreign Wars will participate in the exercises.

## Beauty And Symmetry Mark New Holy Cross Chapel

Holy Cross chapel, the setting this morning of the committal services for its donor, Mrs. Catherine Bonifas, the first to be held there, is a structure marked by beauty and harmony of every detail.

The soft colors of the stone, the richness of the stained glass windows and the lacework pattern of the spire against the sky give it, at first glance, the appearance of an old world chapel of medieval artistry.

The chapel was built by Erling Arntzen, general contractor. Plans and specifications were made by Foeller, Schober, Berners, Safford and Jahn of Green Bay.

Its construction is of random ashlar and carved trim stone obtained from Kasota, Minnesota, the stone used in the construction of St. Joseph's church and William Bonifas auditorium. The interior walls are of tapestry brick, a brick of mingled colors and texture.

### Recessed Altar

The main room in which the services will be held contains a marble altar recessed into the brick wall. Featuring the room is the plastered ceiling with a center section of paneled pecky cypress, a worm eaten cypress trimmed with wood moulding and ornamented by two large wood beams with half beams at either end and drop ornaments. The floor is a blending shade of asphalt tile.

The crypt section will provide storage for 56 caskets set on wrought steel pipe racks with roller arrangement. The building also contains a storage room and two rest rooms.

The chapel will be heated by radiant forced air system, which forces warm air under the concrete floor. An automatic oil burner will maintain constant temperature. A sound system has been wired into the building for music for the services.

A new stone cemetery entrance gateway has been built, similar to the stone in the chapel and the present fence is to be moved 30 feet toward the highway, allowing additional burial area which is planned as a special plot for veterans' graves.

The construction of the chapel was started in October of 1947 and is now in its final stage of completion.

## Obituary

### JOHN J. REEVES

Funeral services for John J. Reeves were held at 8:30 o'clock this morning at St. Patrick's church, with Rev. Fr. Sebastian Maier of St. Ann's parish officiating. Burial was in Holy Cross cemetery.

St. Ann's choir sang the mass of the mass. Leonard Moreau sang the offertory solo, "Pie Jesu" and at the close of the service the choir sang "De Profundis." Miss Bernadette Cossette was organist.

Honorary pallbearers of the Elks lodge were Joseph Garant, Leonard Moreau, Floyd Anutta, Mark Sabuco, John Gannon and William King. Active pallbearers were Arthur Derusha, John Kassick, Paul Miller, Vernon Sivertsen, Harry Christensen and William Cook.

Those attending the rites included Mr. and Mrs. F. C. Richmond, Marine City, Mich.; Mr. and Mrs. Edward Reeves, Detroit, and Mr. and Mrs. Henry Cloutier, Chicago.

### MRS. FRANK ATKINS

Committal services for Mrs. Frank Atkins, pioneer of Escanaba, who died in January at Duluth, were held this afternoon at 2 o'clock at Lakeview cemetery. The rites were conducted by Rev. James H. Bell of the First Presbyterian church.

## City Manager Plan

ORGANIZED LABOR, which has supported the city manager system of government in Escanaba and which has provided much of the leadership that has made the system successful here, is vigorously opposed to a city manager form of government for Menominee.

Menominee voters recently approved the appointment of a charter commission to study proposals for improving Menominee's governmental system. The charter commission is divided 5-4 on the city manager issue and a labor spokesman has informed the commission that as far as labor is concerned, the city manager plan does not stand a chance for approval in Menominee.

Opposition to the city manager system in Menominee is predicated upon a belief that the system vests too much authority in the hands of one individual, the city manager, and that he would be responsible only to the council and not to the voters. The fear is wholly unfounded, as a majority of Escanaba residents will testify. The council is a duly elected body, members of which are accountable to the voters.

The city manager system is designed to provide efficiency in city government. Efficiency in government, of course, is as important to labor as it is to all other community interests. It is difficult for those not familiar with Menominee politics to understand why labor would stand in the way of community efforts for better government. The faction opposed to the city manager plan also opposes elimination of ward boundaries in the election of city councilmen at Menominee.

The progress, or lack of it, by Menominee's new charter commission would seem to indicate, from this distance, at least, that the new charter soon to be written will not differ materially from the status quo.

## Expanded Air Service

NATIONWIDE AIRLINES has resumed daily flight service from Escanaba and other points in the Upper Peninsula to Lansing and Detroit, an acceleration of air service that is genuinely welcomed. Nationwide launched daily service to the Upper Peninsula last summer, changing its schedule to three times weekly during the winter months when traffic volume fell off.

Up to now Nationwide Airlines' flight operations in the Upper Peninsula have not been profitable but the company officials are confident that its pioneering will pay off with an expansion of passenger traffic in the future. The airline recently was granted a certificate of convenience and necessity by the state aeronautics board after operating an uncertified schedule for almost a year.

Hopes that commercial air service from Escanaba to Chicago would materialize by mid-summer are rapidly being dissipated as a result of delays in the city's federal airport expansion project. Wisconsin Central Airlines will launch service to this area when the local airport is completed. The project is still awaiting CAA approval, however, and it is doubtful now that the work will be completed before fall, after the summer tourist season.

In any event, the Upper Peninsula is advancing towards its objective of good air service, including airmail service, to the metropolitan areas, where it can be linked with the nation's air network to points throughout the nation and the world.

## No Truce In Palestine

THE Arabs have rejected a plea for truce in the Palestine warfare and so the fighting will continue, perhaps with renewed fury and embitterment. Although the Arabs did not actually cast aside the United Nations' plea for truce, the conditions which they presented for acceptance were tantamount to total collapse of the newly born republic of Israel, the Jewish state in Palestine. Naturally the conditions were promptly rejected by the Jews.

The Arabs said that they would adhere to a cease-fire agreement only if the Jewish army receives no more arms, if recognition of Israel is abandoned and if Jewish immigration is limited. The effect of these conditions would be to promptly destroy the Jewish state.

Considerable world attention is being focussed upon the battle for the city of Jerusalem but this battle is of importance only because of the religious significance. Jerusalem itself is well beyond the bounds of the recently created Jewish state of Israel. In truth Jerusalem is not one city but two, the inner city of ancient times and the modern city of Jerusalem which embraces considerably more territory. There are many strategists who believe the Jewish strength will be increased in the event of a fall of Jerusalem to the Arab warriors.

With hopes for truce gone, the American government will probably soon abandon its arms embargo to the Near East. The embargo is unfair to the Jews, whose new re-

## World Events Analyzed

BY MARQUIS CHILDS

Washington.—Someone the other day went to the trouble of discovering a typical member of the House of Representatives by averaging out ages, weights, heights and so on. The result was a pretty average middle-aged individual.

It may be because the average is so very average that the women of the House stand out in distinguished contrast to the great gray mass of males. Because the prejudice against women in high office is still a factor in American politics, they just naturally have to be better than the men. I believe a statistical average of the awareness, the ability, the intelligence of the seven women as set against the 425 men in the House would show that the ladies have an overwhelming advantage.

OPPOSED BY WALLACEITES  
Two of the women members are engaged just now in extremely interesting political contests. One is Margaret Chase Smith of Maine, a Republican, and the other is Helen Gahagan Douglas of California, a Democrat.

Because she had the courage of her liberal convictions and refused to swallow the third-party line, Mrs. Douglas is in the middle of a three-way fight in her district in Los Angeles. The Wallaceites tried to make her take a stand against the European recovery program and, when she said no, they entered a third-party candidate against her.

Mrs. Douglas is running in both the Republican and the Democratic primary, which is possible under California law. At the same time, with the primary on June 1, she is fighting on the floor of the House for the issues she considers most important.

First on this list would come inflation and the cost of living. In season and out, Mrs. Douglas has fought for some easing of the pressure that is working such hardship on millions of salaried families all over the country, and especially in her own district.

Once she came onto the floor with a market basket full of groceries and with a sales slip showing what they cost as compared with a sales slip of a year before. It was a dramatic demonstration of what the H. C. of L. really means to the housewife. Mrs. Douglas was one of the little band in the House to stand up against the Mundt bill to outlaw Communism in America—a bill that, in the opinion of many, would coerce all independent thought.

In Maine, Mrs. Smith is in a contest that is equally tough. She is running for the seat in the Senate made vacant by the retirement of Maine's elder statesman, Senator Wallace White. In the primary, equivalent to election in Republican Maine, she has two formidable opponents. They are Horace A. Hildreth, the present governor, and Sumner Sewall, a former governor.

Those who know Maine say it is a close race, with the odds slightly in favor of Mrs. Smith. She is waging a vigorous campaign, practically commuting between her home state and Washington in these crowded final days of the congressional session, with the Maine primary coming on June 21, the date the GOP convention opens in Philadelphia.

Being a Republican from Maine, Mrs. Smith is considerably more conservative than Mrs. Douglas, a Democrat. But with her conservatism goes a sense of responsibility which is a lot more than mere stand-pat.

Thus, the other day, she pleaded with the House for a revision of the social security program which would correct great injustices that exist today. As Mrs. Smith said, study after study has pointed out the need for a drastic overhauling, yet nothing is done. She was particularly concerned over the plight of the aged who are trying to exist on pitifully inadequate old-age assistance.

Because they are closer to the tasks of daily living, women can have a more immediate sense of what a law will do in actual practice. In an article she wrote recently, Mrs. Douglas put it this way:

"As members of the community, women find that laws and their making are not abstract problems but a necessary outgrowth of having to face problems of housing, delinquency, playgrounds, nurseries, discrimination—directly, not merely in debating societies or in the halls of government."

Congress would be improved, in my opinion, with a higher proportion of women members, particularly if they had the qualifications of Mrs. Smith, who is now serving her fifth term in the House, and of Mrs. Douglas, who is running for a third term. I hope they are both returned to Washington so that the Congress and the nation can have the benefit of their practical, responsible approach to the big problems that confront us all.

article, story, or advertisement so that the author may correct any mistakes before the final printing is done; that a photographer furnishes us with proofs from which to choose the most desirable photograph.

And of course we all remember the old saying from Cervante's "Don Quixote": "The proof of the pudding is in the eating." This means that the only way to prove (test) a pudding's goodness or lack of goodness is to eat it.

Sorry, Dr. W., I'll have to give you an "F" on your answer that the old saying "The exception proves the rule" is false.

Do you know how to express determination correctly when using the words SHALL - WILL and SHOULD - WOULD? Mr. Colby explains the proper use of these words clearly in his leaflet, C-4.

THE TOWNSHIPS—This, the second and last of two columns on early-day Delta county, will present information concerning the townships of the county.

The information is from "Inventory of the County Archives of Michigan," prepared by a WPA historical research project. A photostatic copy of the typewritten copy has been obtained by Frank Bender, president of the Delta County Historical Society, and will be filed by the local society. Previously no copies of the work were available in this community.

In its formative period, Delta county had fewer but larger townships. It also had some townships that you will not find on today's map. These included the townships of Winona, Sack Bay, Minnewaska and Dalton.

FIRST AND BIG—Fairbanks township was the first organized township in what is now Delta county. In fact, it was created in 1859, before there was a Delta county, and its area included most of the eastern half of Delta county and a part of what is now Schoolcraft county.

Fairbanks township was reorganized by the Delta county board of supervisors on March 19, 1872, and included the string of islands southward from Fairport. It included the former townships of Sack Bay and Dalton. Then in 1913 a revision attached some of the area to Garden township.

Mary E. Trombley, Donald Wells and Sylvester Hall were among the first land owners in the township, according to the report. They were recorded land holders in 1863.

ONE OF THREE—With the exception of Fairbanks township, Delta county originally consisted of Nahma and Escanaba townships, parent townships that were divided periodically and reduced to form all others in the county. Nahma township was organized in 1861, and the town of Nahma was formed in 1863 on application of 16 land owners. The first to own land in the original Nahma township was Baptiste Duroso, who recorded a purchase of 80 acres in 1864. Thomas J. Streeter purchased the same year.

ESCANABA TOWNSHIP—Escanaba township also was organized in 1861 and included the westerly one-third of Delta county from near the head of Little Bay de Noc.

First person to own land in the original Escanaba township area was John McMonagle, and the second was Charles T. Harvey, who purchased 112 acres in 1864. Harvey was a man of national importance in later years. When he came to this area it was to construct a military road from Escanaba to Marquette, a gigantic undertaking for those days. Greater projects followed. He built the first steamship locks at Sault Ste. Marie, and in New York constructed the first elevated railroad.

REDIVISION—We have detailed the first "first big three" townships in early Delta county. For space reasons it will be necessary to highlight information about the other townships as they were organized.

The town of Garden was established in 1862 on the petition of 16 persons, and two years later the town of Strickland also became a part of Garden. First meeting of the town board was held at the home of H. G. D. Squires.

Masonville township was set off from Nahma township in 1869. The first person to register land within the township was Richard Mason, on Aug. 8, 1853.

In 1871, upon the application of John A. Driso and others, the board of supervisors authorized the organization of Winona township, which embraced the islands of St. Martin's, Poverty and others. The township remained in existence until 1889 when it was incorporated within Sack Bay township. Sack Bay township was organized in 1872 and then in 1905 its territory was attached to Fairbanks.

MORE REDIVISION—Maple Ridge township was created in 1873, with Axel Lathrop, Daniel Chaisson and Christ Schuman among the original settlers. Baldwin township was organized simultaneously with Maple Ridge with William Heppel, Herman Windt and W. H. Wellstead among the original promoters.

Ford River township was organized in 1875 but land had been owned there as early as 1850 by Silas Billings. Charles T. Harvey bought land there in 1868. Bark River township was created in 1880, and Bay de Noc township in 1891. Among the early land owners was David Wiltzie, whose purchase was made in 1832.

## INTO THE PAST

Ten Years Ago

Escanaba—Mr. and Mrs. W. R. Smith and Mr. and Mrs. William J. Smith have returned from an extended winter vacation in the southwestern states, Mexico and California.

Gladstone—Mr. and Mrs. Russell Royer are the parents of a daughter born May 27 in St. Francis hospital.

Manistique—Julius Peterson, a former resident of Manistique, is visiting here with his daughter, Mrs. William Nystrom. Mr. Peterson, of Northville, Mich., is en route to Escanaba where he will attend the 50th anniversary observance of the Danish-Lutheran church.

Munising—Mr. and Mrs. John Maciejewski will be the guests of honor at a party and dance this evening in honor of their silver wedding anniversary.

Twenty Years Ago

Escanaba—Mr. and Mrs. Fred Chouinard have left for a several week trip to Montreal and other Canadian cities.

Escanaba—Edward G. Harkins is receiving treatment in St. Francis hospital for a fractured skull which he sustained when he was seized with cramps while bathing and hit his head on the bathtub.

Gladstone—Rev. and Mrs. C. E. Olsson are leaving today for Moline, Urbana and Andover, Ill., and points in Iowa where they will visit relatives for several weeks.

Last township to be organized in the county was Ensien, 1923, with land from Masonville, Nahma and Bay de Noc territory.

New York (AP)—There's a great to-do in the world over what to do with the old folks.

The population is growing older, but the cry goes up there's no place anymore for old people.

Since everybody moved to the city, we don't need grandpa anymore to fetch water from the well. We turn on the faucet. There's no chimney corner left for grandpa, 'cause the fireplace is only colored glass now. And it's cheaper to hire a baby-sitter by the hour than keep pore widowed Aunt Agatha around the homestead.

If there's no place for the old folks at home, how about industry? Nope, the workman approaches the age of 40 with a feeling of personal guilt. He lives in fear some straw boss will hand him the pink dismissal slip and invite him to try his nose for size on somebody else's grindstone.

This is the dismal picture many socialists paint of the forlorn state left to the venerable survivors of today's three-ring civilization. Youth must be served, and the young buckoes seem to be taking all the sun.

But are they? Look at some of the oldsters who are still kicking up their heels, having fun and making laws or money.

A 68-year-old ex-trapeze artist just fathered triplets in Manhattan, raising his present count of children to 35. A day spinster in Scranton, Pa., slid down a bannister to start her 102nd year. In New York state a one-legged widow past ninety put on an orchid and married a 37-year-old farmhand, said she'd rather have a strong young man than an old age pension any day. Why not?

The world is studded with gaffers and gals who've reached or passed the Biblical span of three score and ten and are still tops in their class. They're riding high in every field.

At 70 the ebony toes of Bill Bojangles Robinson have tapped out five million bucks, and he's still good for \$4,000 a week or better.

Bernard Baruch—"Old Silver-top" the financier—is 77, and has more influence from a park bench than a dozen junior Senators in Congress.

Who are two of the greatest living old salesmen in history? John D. Rockefeller, jr., 74, and King Ibn Saud of Arabia, who is touchy over his age—but is beyond 70.

Two of the world's newest states picked active septuagenarians to head them in rough times—Dr. Chaim Weitzmann, 73, provisional president of Palestine, and Mahomed Ali Jinnah, 72, governor general of Pakistan.

Prime Minister Themistokles Sophoulis of Greece is 87. King Haakon VII of Norway, 76. King Gustav V of Sweden, a well-served 80. And the new Italian Republic just picked 74-year-old Luigi Einaudi for its first president.

Still wearing well in the British empire are Queen Mother Mary, able at 81 to go to every vicar's tea party in England; Prime Minister MacKenzie King of Canada, 73; Field Marshal Jan Christian Smuts, Prime Minister of South Africa, 78; and that vocal thorn in the side of British Socialism, Winston Churchill, a memorable 73.

Every single worker in Scandinavia ought to know with convincing certainty that the workers will lose their freedom under Communist dictatorship.

—Einar Gerhardsen, Premier of Norway.

## The Washington Merry-Go-Round

BY DREW PEARSON

Washington.—One thing that set Harold Stassen back in Oregon was the impression that he was trying to be all things to all men. You can get away with this for awhile but eventually it catches up with you.

For instance, during the Senate debate on the Taft-Hartley act, Stassen opposed the bill, much to the embarrassment of Senator Joe Ball of Minnesota who had been appointed to the Senate by Stassen. In fact, Stassen's views were effectively quoted by Senator Pepper of Florida in fighting the bill on the Senate floor.

But more recently, Stassen has gone into reverse and is telling the electorate what a fine thing the Taft-Hartley act is.

Martha Taft, astute wife of the senator from Ohio, tells friends that during the Ohio primary, a Stassen campaign representative came to Taft's headquarters and naively complained that Taft was unfairly criticizing Stassen as a compromiser. To which the Taft people replied that Stassen was saying some pretty bad things about Taft.

"But," replied the Stassen representative, according to Mrs. Taft, "those things about Taft are true."

Real fact is that up until recently Stassen has carved out quite a name for himself as a liberal, though at the same time gathering in campaign contributions from meat packers, grain operators and some of the biggest businessmen of the northwest, to say nothing of his friends among the U. S. Steel corporation.

Note—When called upon to take a stand on military training, Stassen said in effect that he favored "something a little less than compulsory and a little more than voluntary."

## NEED INDUSTRIAL STATESMANSHIP

Rumors are current both in Wall Street and labor circles that the big boys of industry got together for another "Waldorf conference" and decided not to give labor another round of wage increases beyond the 9-11 cent boost handed out to the meat packers and General Motors.

If so, the industrial leaders might well put their heads together and exert some statesmanship regarding their labor relations generally, especially their tendency to penalize non-striking unions. At present, the Wall Street policy is to favor the labor leader who waves the big stick and penalize the union that plays ball.

Last June, for instance, Ben Fairless, head of U. S. Steel, together with the Mellon and Hanna coal interests, gave John L. Lewis the biggest wage-pension bonanza in history. It put the coal miners at the top of the wage-ladder, thereby causing jealousy among railroad men—hitherto the aristocrats of labor—and the steel workers, led by Lewis's old rival, Phil Murray.

Later, when it came to the railroad brotherhoods' turn for an increase, they got only 15 cents an hour. Most of them accepted this award. Three unions called a strike. Behind that strike call, in part, was the previous large wage hike handed out by Fairless, the Mellons and the Hannas to John L. Lewis.

Phil Murray was also on the spot. His steel workers' two-year contract had one year to run, but his union members were restless. They had seen the big hike won by John L. Lewis.

## BEN FAIRLESS VS. BEN FAIRLESS

However, the same Ben Fairless who had given Lewis his wage increase plus pension, turned round and gave Murray nothing. Fairless claimed the cost of living had not gone up recently, reminded Murray that the steel workers' contract had another year to run.

Thus the steel workers did not even get the 15-cent wage boost won by the RR brotherhoods. However, they accepted this with good grace, stuck by their contract, continued working. Also, at Boston, they took a firm stand against Communists and for the Marshall plan.

Actually, it was not Ben Fairless who made the decision to turn down the steel workers. It was Enders Voorhees, a tough New York Dutchman, who acts for J. P. Morgan as chairman of the U. S. Steel finance committee. Fairless has followed a fairly liberal policy with labor. But with the death of Tom Lamont, one of the liberal influences inside the Morgan firm, U. S. Steel's policies have veered reactionary. Having piled up the greatest profits in all history, their much-ballyhooed price decrease was a mere drop in the bucket.

Since Murray was turned down, however, the cost of living has turned up. Last month it shot up 1.6. Therefore, if U. S. Steel should use this as an excuse to offer voluntarily to put across the 9- to 11-cent wage boost agreed on by the big boys, it would have an electrifying effect on all labor.

Not only would it show that the union which doesn't strike gets recognition in the end, but it would have its effect on all labor troubles at a time when the world is watching the U. S. A., and when production under the Marshall plan is more necessary than ever before.

## DRAFT ACT DELAY

The peacetime draft bill is having increasingly rough sledding in Congress—but not because of peace propaganda sent out by Moscow.

Two gentlemen from Georgia are largely responsible for backstage delays in passing the draft.

In the Senate armed services committee, Senator Dick Russell of Georgia, with considerable backing from Dixie Democrats, is fighting hard for his amendment segregating white and colored races in the armed services.

Russell is prepared to filibuster against the draft unless this segregation amendment is adopted.

JHS Teacher, Elizabeth Clarke,  
Will Teach English In Japan

Miss Elizabeth Clarke of the faculty of Escanaba Junior high school is leaving in August for Fukuoka, Japan, to teach English for three years in a Japanese school under the auspices of the Board of Missions of the Methodist church.

Miss Clarke, daughter of Rev. and Mrs. Ernest E. Clarke, of Sparta, Wis., is a graduate of the University of Wisconsin in Madison and has taught science in the junior high school here for the past year.

From June 9 to August 2, Miss Clarke will attend school in New York city for an introduction to the Japanese language, under the system developed by the Army, and for study in Japanese customs and beliefs, for six weeks. She will also attend Columbia university for a course in English teaching.

**Takes Ton of Food**  
About 50 other Methodist sponsored instructors will leave for Japan in August on the Fellowship of Christian Reconstruction program. Only one other person will accompany Miss Clarke to her district, as far as she knows.

In order to be assured of adequate supplies, Miss Clarke and other instructors going to the Fukuoka area are required to bring a ton of food staples with them. They have also been advised to bring as much woolen clothing as possible, with the explanation that heating facilities are poor and that summers are hot and winters cold.

Instructors are allowed to take bicycles, radios and other conveniences with them, and are asked to bring hammers, nails and screws with them, as well as heels and soles to repair their own shoes.

**Teachers Are Young**  
This project is one of the first such ventures of the Methodist church. Miss Clarke, though she says she has never been particularly interested in Japan, is anticipating her assignment to teach English and Christianity to Japanese students. All instructors are in their 20's.

None of the instructors of the special short term project of the Methodist church is assigned as advocate of occupation forces, but are sent to teach Christianity and promote world understanding.

Wear a Poppy,  
Post Commander  
Urges Veterans

"Pin on a poppy the first thing on Poppy Day."

This was the appeal of Victor Johnson, Commander of Cloverland Post of The American Legion, to all war veterans in Escanaba in a statement issued today.

"We can never forget those comrades of ours who lost their lives in war service," the Commander's statement said, "so let us show the world that we remember by wearing a poppy on Poppy Day. We veterans should lead the way in paying tribute to those who didn't come back, so pin on a poppy the first thing on Poppy Day."

"With our poppies we remember, too, those other comrades who are still fighting a battle against wounds and illness in the veterans' hospitals. They made the poppies, and the contributions we make for the little flowers are for them, their families and the families of the dead. I am sure veterans will set an example of generosity on Poppy Day."

Poppy Day will be observed here and throughout the nation on May 29, the Saturday before Memorial Day, when women of the American Legion Auxiliary and cooperating organizations will offer the memorial flowers on the streets throughout the day.

Cooksy-Malmquist  
Wedding June 12  
Of Interest Here

Of interest in Escanaba is the approaching marriage of Miss Doris Jean Cooksy, daughter of Mr. and Mrs. Eugene Cooksy, of Deerfield, Ill., to Russell E. Malmquist, son of Mr. and Mrs. Gustav Malmquist of Evanston, which is taking place June 12 in the First Presbyterian church in Deerfield.

The ceremony will be followed by a reception at the Highland Park Woman's club.

Mrs. Arthur Schneskle of Deerfield will be matron of honor and bridesmaids will be Miss Rosemary Willen and Mrs. Wayne Dumas of Deerfield and the bridegroom's sister, Mrs. Kenneth Peterson of Chicago.

Keith Van Buskirk of Rogers Park will be best man and ushers will be Robert Gensch of Evanston and Robert Kurtain of Chicago. Mary Anne Uilmann of Deerfield will be flower girl and David Meyer of Deerfield will serve as ring bearer.

After spending 10 days at the summer home of Mr. Malmquist's parents in Escanaba, he and his bride will reside with her parents.

Miss Cooksy was graduated from Highland Park High School and attended Bryant and Stratton Business college, Chicago. Mr. Malmquist attended Washington and Lee university, Va., before spending three years in the army

**Benedict-Dahl**  
In a ceremony performed at the First Evangelical church in Oshkosh, May 15, Miss Betty Jane Benedict, of Butte des Morts, Wis., daughter of Mr. and Mrs. Clarence Benedict, became the bride of Alfred L. Dahl, of Cornell, son of Mr. and Mrs. Alfred J. Dahl.

The vows were spoken before Rev. James Verduin.

In the bridal party were the bride's aunts, Mrs. John Benedict, who was matron of honor, and Mrs. Harry Hurst, who was bridesmaid, her young sister, Joan, who was flower girl, Rudolph Dahl, the bridegroom's brother, who was best man and George Kontos and William Hay, ushers.

The bride wore traditional white satin, and a lace edged veil and she carried a bouquet of red roses. Her attendants were gowned in blue net over satin and their flowers were pink and white gladioli.

A supper at the bride's home was followed by a reception and wedding dance.

The newlyweds are living at Cornell. Mr. Dahl is employed by Northern Motor Rebuilders in Escanaba.

Potato Planting  
Nears Completion  
In Local Area

The planting of the potatoes in both Schoolcraft and Alger counties is now well along, Clayton Reid, county agent reports. The crop was retarded some because of a backward spring, but not unduly so, and the seeding should be completed very near the end of the month.

The county agent states that growers of seed potatoes must have their applications for certification in by June 10. Former certified growers have received application blanks. New growers should apply for these blanks to Mr. Reid.

REAL WEED KILLERS  
TO DO CLOSE, ACCURATE  
WORK AT HIGH SPEEDSMcCORMICK-DEERING • FARMALL  
Cultivators

Stubborn, noxious weeds just don't have a chance when you put a McCormick-Deering Farmall-mounted 1, 2- or 4-row cultivator to work on 'em!

Today's demands for fast cultivation are really answered with the high-speed sweeps and covered shields that are supplied with Farmall cultivators. Paraflex link construction of gangs keeps sweeps at the correct angle regardless of depth. Yes, these cultivators "stay put!"

Equipment combinations for practically any crop—corn, cotton, beans, potatoes, peanuts, etc.—and for rows spaced from 28 to 48 inches (as narrow as 22 inches with 6-row spacings on tool bars.) See us now for all the facts on Farmall Cultivators, or information on McCormick-Deering horse-drawn models.

Theft Of Motor Charged Against Local Resident

Norman St. John was arraigned in justice court here Thursday afternoon charged with the theft of a motor from the mill of the Manistique Pulp & Paper Company. The arrest had been made the day previous following an investigation by the state police. The police had called at the home of Joseph St. John in Garden, earlier in the week to investigate a report that he had a quantity of venison in his freezer. While an investigation of the scene was being made the police came upon an electric motor which according to their checkup, contained the same serial number as one which recently disappeared from the paper mill property. Investigation of this property led to Norman's arrest.

Prosecuting Attorney William J. Sheahan asked for an examination of the motor and it has been set for Thursday, June 3. Norman is being held on \$1,000 bond.

Also in justice court Thursday was the arraignment of Mrs. Billy Savage of Grand Marais, charged with issuing a check on a bank in which she had no funds. The complainant in this case was the Swanson Trucking Company of Manistique. Her examination was set for June 7. She was released on her own recognizance.

ROLEO BUTTON SALES STARTED

Program For Celebration Shapes Up Well

Sale of Roleo buttons will be started on June 1, it is announced by John J. Vogt, general chairman of the celebration which is to be held here July 2-4.

Funds derived from the button sale are used to help defray the cost of the roleo.

Boy and Girl Scouts of Gladstone and the Strato-Fliers will cooperate in the sale. They will receive a twenty per cent commission on all sales.

The program for the celebration, which marks the golden anniversary of competitive log rolling, is shaping up nicely, according to John P. Vogt, general chairman.

Entry blanks have been mailed to all log rollers who ever competed here and a number of others.

Rose Mary Schwabs of University of Wisconsin, Madison, an AAU champion diver and national champion majorette, is scheduled to appear at the roleo.

Tommy Thompson, Minneapolis diving and swimming star, is again coming to Gladstone and is bringing a contingent of six swimmers with him.

Four novelty acts have been booked and are to be presented from the stage to be erected in the harbor or roleo basin.

Pathe News is sending a camera man to cover the event and there is a possibility that pictures may be taken of a portion of it for televising.

Memorial Parade To Start At 9:30

Memorial day plans will be carried out according to original plans with but a few minor changes in the personnel of those in charge, the committee in charge announces. Albert Ackerman will be marshal of the day and Sgt. C. McQuay, will be sergeant at arms. The parade will start at 9:30 o'clock in the morning and all veteran groups, service clubs, scout units, H. H. Groups and other groups which will participate in the parade are asked to gather at their unit headquarters early enough so that all may be on hand at the lot opposite from the stadium where the parade begins at the appointed time.

The following program will be given at the school stadium at the completion of the parade.

Invocation, Rev. Sobel.

Hymn, "Onward Christian Soldiers," band accompaniment.

Address, Rev. Sobel.

Hymn, "Doxology," band accompaniment.

Star Spangled Banner, High School Band.

SELL POPPIES IN GLADSTONE

Girl Scouts To Assist Legion Auxiliary

Today and Saturday are Poppy Days in Gladstone.

Throughout the day, volunteer workers of the American Legion Auxiliary will be on the streets offering poppies to be worn in honor of the dead of the two world wars.

In exchange for the flowers they will receive contributions for rehabilitation work among the disabled veterans and for welfare work among the children of veterans.

The poppies, which are crepe replicas of the wild poppies that grow on the European battlefield of the two wars, have been made by disabled veterans working in hospitals and convalescent workrooms throughout the country.

Activities here will be directed by Mrs. Andy Moore, Poppy chairman of the Legion Auxiliary. Members of the unit are working today and on Saturday will be assisted by a large group of Girl Scouts.

Women Will Meet To Organize PTA

Mrs. A. W. Erickson, Parent-Teacher association organizer, is coming to Gladstone this evening to address a meeting of women at 7 o'clock at the city hall. Mrs. Erickson will explain the objects of a PTA and also how the organized functions.

Legion Auxiliary Meets At Cottage Monday, June 28

The June meeting of the Legion Auxiliary is to be held at the Andy Moore cottage at Brampton. Reservations should be made with Mrs. Martin Cladwell. A social followed the last regular meeting. In bridge Mrs. Laura Jacobson was high while in smear Mrs. Alphonse DeMenter was first.

Violet Maki Bride Of Donald Seppanen

Cut flowers in pastel hues decorated the First Lutheran church for the marriage on Saturday afternoon, May 22, of Miss Violet Maki, Chicago, Ill., daughter of Mr. and Mrs. Jalmer Nordlund, Kipling, and Donald Seppanen, Chicago, son of Mrs. Josephine Seppanen, Trenary, Mich.

The double ring ceremony was read at 2 o'clock by Rev. Clifford Peterson, pastor.

The traditional processional and recessional wedding marches were played by Mrs. Carl Olson, organist and while the guests were assembling and during the ceremony, "I Love You Truly" and "O Promise Me" were sung by Miss Margaret Jean Hult.

The bride was given in marriage by her brother Richard. She was lovely in a gown of white satin, fashioned with a tight fitting bodice, sweetheart neckline and a peplum at the waistline formed a bustle back. The full skirt formed a train. Her three-quarter length veil fell from a net ruffle which encircled her head. She carried a mixed bouquet.

The bride's sister, Miss Lillian Maki of Chicago, was maid of honor and she wore a marquisette gown of pink, styled with a round neckline, cap sleeves, tight fitted bodice and bouffant skirt, and matching shoulder length veil. She carried a bouquet of mixed flowers. The bridesmaids, Mrs. Lawrence Kallio, Chicago, aunt of the bride, and Miss Aileen Heino, city, wore blue marquisette gowns like that of the maid of honor and matching shoulder length veils and identical mixed bouquets.

Willard Seppanen served his brother as best man and ushering was Aino and George Maki, brothers of the bride.

# Defending Titlists Face Tough Task In U. P. Track Finals Here

## Wakefield, Munising; Houghton Offer Potent Challenge In Class C

One of the interesting aspects of the Upper Peninsula Class C championship track and field race in the U. P. finals at the Escanaba high school athletic field here tomorrow is the power in depth represented in the entries of Wakefield, Munising and Houghton.

It bodes no good for defending champion L'Anse, which won here last season when Escanaba first staged the official U. P. track finals after Houghton relinquished the meet because of postwar crowded conditions at Michigan Tech.

## St. Joe Wins U. P. Class C Title As Eskymos 2nd In B

Crystal Falls, May 28 (Special)—St. Joseph's golfers stole the show from Escanaba's Eskymos in the Upper Peninsula high school golf tournament here yesterday by winning the Class C title with 300, ten strokes less than the second-place Crystal Falls quartet.

Meanwhile, the Eskymos lost out by one stroke to the defending champion Menominee Maroons in Class B. Menominee had 361, Escanaba 362, Iron Mountain 377, Marquette Gravenet 379, Ishpeming 384, Ironwood 411 and Kinesford 433.

Stambaugh was third in Class C with 402, and Gladstone's Braves placed fourth with 416. Marquette's 442, and Houghton's 470 followed. Other St. Joseph's scores were R. Williams 57-53—110 and R. Eis 60-50—110. Gladstone players scored as follows: C. Green 52-44—96, B. Rajala 47-45—92, W. Peterson 57-51—108 and M. Seibert 61-59—120.

The medal tourney was played on a windswept course in intermittent thundershowers. Ray Hirm, Eskymo ace, who shot four-over-par golf in 54 holes in his last three dual matches, soared to a 45-42—87, far off his usual pace. This score was matched by Harold Van Effen, who shot 46-41—87. Jackson turned in a 49-46—95 and Bill Ness came through with a 47-46—93.

Medalist honors in Class B went to B. Bell of Marquette Gravenet with 41-40—81. R. Beyer of Menominee was second with a pair of 42s.

## Baseball Stars Of Yesterday

**Batting**  
Stan Musial, Cards—Hit 10th homer and single against Giants to make record for Eastern tour 23 hits in 46 at bat over 10-game stretch.

**Pitching**  
Curt Simmons, Phils—Turned back Pittsburgh with three hits in 2-1 win.

As a result of that move, incidentally, Escanaba relinquished the U. P. relays which will be held in Marquette Monday, May 31.

L'Anse will attempt to make seven qualifiers stand up to this array of talent, to wit: 19 qualifiers from Munising who scored 84 points against Gladstone to win the Class C district meet in Marquette; 18 Wakefield performers who amassed 83 points against Crystal Falls and Ewen to win the Ironwood district Class C championship; and 15 fast Houghton thinclads, who won with almost equal ease at Baraga.

**No Setup For Maroons**  
As for the Class B race, it goes without saying that Menominee's Maroons will have no easy sledding against such capable teams as Ironwood, Sault Ste. Marie and Newberry.

**Ironwood ran amuck last Saturday** to score 70 points against a measly 23 for Iron River, 14 for Calumet and 10 for Bessemer. Incidentally, Calumet's near famine vindicated the action of U. P. coaches in streamlining the district track setup. Calumet qualified only five men for the U. P. Had it gone through the motions at Baraga, it would have brought a squad of more than 20 to the finals.

Despite added competition, the Ironwood Red Devils qualified 24 men—more than any other team in the U. P. The Maroons, with 15 men, must make up in power and balance what it lacks in depth. And don't count out Soo and Newberry, with 10 and 12 men, respectively, who are sure to make a four-way fight of it.

**Individual Duels**  
Escanaba's Eskymos qualified 12 men at the Menominee district meet, and although no considered a championship threat, they will come in for their share of points to finish high. Coach Steve Baltic is pointing for a victory particularly in the medley relay, in which event the Eskymos are undefeated this season.

Track fans are eager to see such stars as Mike Shatusky, Alford Borsum, Keith Ewing, Orval Dietz, Dick Wall, Paul Gustafson, Ron Nettell, Jim Tourville and Bernhart Frigard in action.

Typical of the duels which have shaped up for the annual U. P. finals here tomorrow is the rivalry between Keith Ewing of the Soo and Paul Gustafson of Marquette.

At the Manistique invitational, for instance, Ewing won the high hurdles with Gustafson second and Gustafson won the low hurdles with Ewing second. In the Marquette district meet, Gustafson won the high hurdles with Ewing second and Ewing copped the low hurdles with Gustafson second.

Tomorrow, they'll tangle in the "saw-off" race.

### GLADSTONE ENTRIES

Gladstone, May 28—A six-man team will carry the colors of Gladstone high school in Class C at the U. P. track and field meet in Escanaba Saturday.

The local contingent is led by Gene Smith, lanky speedster, who qualified in the 100, 220 and the broadjump. Bob Beaudry will compete in the shotput and Calvin Johnson in the mile. Doug Johnson qualified in the half-mile event but will not be here to compete Saturday.

The relay team composed of Doug Madden, Ralph McGeary, Richard Moreau and Gene Smith is capable of pushing any quartet in the 880 event. Their winning time of 1:41.9 is only two seconds slower than Menominee's time in the Class B last weekend.

### Sports Mirror

Today a year ago—The United States Golden Gloves team defeated European representatives at Chicago, 7-1.

Three years ago—The two New York clubs led their respective circuits in the major league baseball races.

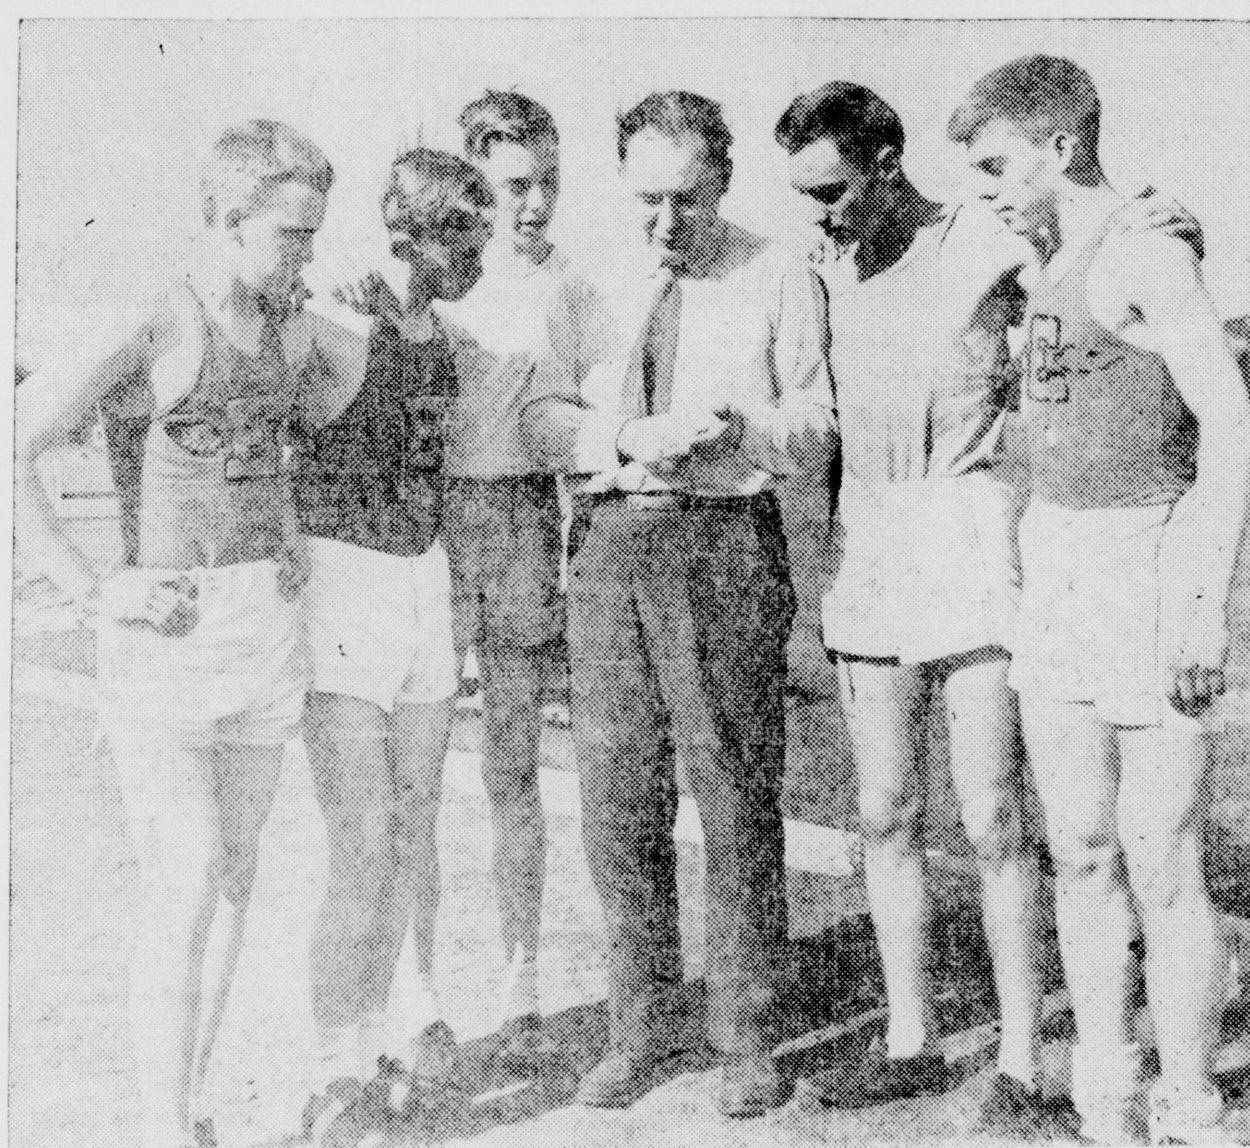

Five years ago—The Cleveland Indians defeated the Red Sox, 5-2, to tie for the American league lead.

Ten years ago—Charley Yates of Atlanta became the sixth U. S. player to win the British Amateur Golf tournament.

### Muskegon '9 Takes Central Loop Lead

(By The Associated Press)  
Muskegon's Clippers were back on top today in the see-saw race for leadership of the Central Baseball league.

The Clippers, who have been alternating with the Flint Arrows from day to day for the top spot in the league, moved up again last night by nosing out the Flint club 6 to 5.

**UNDEFEATED ESKYMOS**—Escanaba's Eskymos are faring just so-so in track this season, but this group of runners tutored by Henry Wylie has been doing all right. In fact, they're undefeated to date and are priming to keep that record clear when they compete in the medley relays in the U. P. high school track and field finals here tomorrow afternoon. Wylie likely will pick his quartet from this quintet shown here studying the stop watch. From left to right, Dave Johnson, 440; Bob Urbach, 440 or 220; Wayne Sundquist, a 220 man; Coach Wylie; Con Lucke, sophomore 440 runner; and John Beaumier, who runs the 220. Johnson, Sundquist and Beaumier are juniors, and Urbach is a senior.

## U. P. Track Meet Schedule

The detailed schedule of events for the Upper Peninsula high school track and field championship meet at the Escanaba high school athletic field here tomorrow follows:

| Morning     |                       |               |                 |

## Autographs May Be Source Of Revenue For Ball Players

By Hugh Fullerton, Jr.

New York, May 28 (AP)—If the National Collegiate A. A. decides to rule out "bowl" games for college football—and as smart a guy as Zipp Newman predicts that's what will happen within five years—the Sugar Bowl will sponsor a pro game in New Orleans on New Year's Day.

But it's this department's guess that within five years the "sanity code" will be buried along with Bulletin 23 of the Carnegie Foundation.

The local contingent is led by Gene Smith, lanky speedster, who qualified in the 100, 220 and the broadjump. Bob Beaudry will compete in the shotput and Calvin Johnson in the mile. Doug Johnson qualified in the half-mile event but will not be here to compete Saturday.

The relay team composed of Doug Madden, Ralph McGeary, Richard Moreau and Gene Smith is capable of pushing any quartet in the 880 event. Their winning time of 1:41.9 is only two seconds slower than Menominee's time in the Class B last weekend.

### One-Minute Sports Page

The Duke U. golf team, which recently won the Southern Conference title for the tenth time in eleven years, may find the going rough in the National Collegiate tournament at Stanford because two of its better players are freshmen and thus ineligible.

The Blue Devils have Art Wall, Jr., who has made 26 holes-in-one, but he'll have to contend with Oklahoma's Charley Coe, who fired a record 64 at Lincoln, Neb., in the Big Six tourney.

Incidentally, some scribes in the midlands say they'll continue calling it the "Big Six" until Colorado, the seventh member, wins something.

### Zale-ous Worker

Rocky Graziano says he'd like to have four men, instead of three, in his corner when he fights Tony Greco and NBA Prez Abe Greene says it's okay if Rocky "gives me a justifiable reason."

If Abe would just look at the pictures of their first fight, he'd realize Rocky might need them for protection.

## Last Trials Saturday In Indianapolis Race

Indianapolis, May 28 (AP)—Owners, drivers and mechanics of 34 unqualified cars at the Indianapolis motor speedway worked under increasing pressure today to get ready for final trials tomorrow for the 500-mile race Monday.

Only three places remained to be filled in the 33-car starting lineup. After three cars qualify tomorrow any others will have to run ten miles in faster time than some of the previous qualifiers to start in the race.

### BUCKEYES EYE TITLE

Madison, Wis., May 28 (AP)—Ohio State's unbeaten Buckeyes were eying their second Big Nine outdoor track championship in 48 years today as athletes from the league schools opened the Western Conference meet at Camp Randall. The Buckeyes won their first—and only—outdoor crown in 1942.

## Hermansville, Eben Have Strong Teams To Oppose Powers

Having been dumped by Hermansville, 55-33, in the Menominee district meet, Powers-Spalding, defending Class D-E champion, is all but out of the 1948 championship picture in the U. P. track and field finals here tomorrow.

All of which leaves the field open to three likely contenders, namely Hermansville, the new local district titlist; a 13-man Eben team that scored 74½ in the Marquette district affair and Alpha, which compiled 63 1/5 points to win easily at Ironwood last Saturday.

Little is known of the Alpha aggregation, but comparative marks made by Hermansville and Eben indicate that the latter rightfully deserves the role of favorite.

### Watch Frigid

Eben's 880 relay team covered the distance in 1:45, compared with 1:47.4 for Hermansville. Vic Fochesato, Hermansville speed merchant, and Frigid, Eben, are set for lively duels in both the 100 and 220 dashes. Frigid covered those distances in 10.8 and 25.5 respectively, compared with 11.4 and 25.7 for Fochesato. In the broad jump, Frigid will tie up with Rapid River's Dean Lind.

Charles Lumbard, Hermansville, went five feet in the high jump, three inches shy of Niemi's winning mark for Eben in the Marquette meet.

The 440 should develop into a thriller. Dick Whittens, Hermansville, turned it in 60 flat at Menominee. Eben's Kern did it in 59.9 at Marquette.

The depth of Alpha and Eben may prove the undoing of Hermansville in the D-E clash. Alpha has entered 17, and Eben qualified with 13, three more than Hermansville.

### Niemi Is Standout

Eben's Johnson, for instance, came through with a winning 2:18 in the half mile, and Hermansville's Hugh Allen placed second to Larry Williams, of Powers, whose winning time was 2:20.8.

And so it goes, with Eben's Niemi another standout performer in the hurdles whose mark bettered the winning time in the highs at Marquette. Niemi turned the highs in 17.4 and had two buddies, Ikkala and Salminen in second and third place. That's where depth comes in.

Niemi had a 27.1 in the low hurdles, only a shade less than Dean Lind's winning 27 flat for Rapid River in the Menominee district meet.

## SOFTBALL

### SUNDAY NIGHT FEATURE

Because of the soft condition of the Memorial Field outfield, the preliminary game planned for Sunday night has been cancelled. Escanaba Softball association officials announce. The "piece de resistance" of the evening will be the clash between Ed's Market championship team of Menominee and Escanaba Taverns. Ed's won 19 and lost three last season to win the Menominee title and it has won the Twin City title two years in a row.

The big game will get underway at 8:30 with Bud Payne pitching and Bob Peters catching for the Menominee team, and Louis Kositzke or Job Anderson pitching and Bob Anderson backstopping for the Escanabans.

### Nuway Cleans Larmay

Nuway took Larmay's to the cleaners to the tune of 6-3 in a city softball league tilt last night. Don Scott and John Hirm hit homers for the victors. Batteries: Nuway—Dufresne and Hirm; Larmay—Porath and Bittner.

## Bears, Redskins Make Safari To Gwinn And Diorite Memorial Day

Escanaba's Bears and Gladstone's Redskins, only undefeated teams in the Rainbow Baseball league, will invade the far reaches of Marquette county in search of their third consecutive victories this Sunday.

Come Memorial Day, Manager Pete Derwin will gather his family of Bears and journey to Gwinn, and the Redskins will make a sa-

## Negaunee Miners Beat St. Joe '9

Negaunee, May 28—Thunder-showers halted the baseball game between St. Joseph's of Escanaba and Negaunee high in the last of the sixth here yesterday afternoon with the Miners out in front by a 9-3 count.

The Miners scored seven in the first, one in the second and added one in the fifth. St. Joe runs came in the first and fifth.

## Final Rites For Mrs. Bonifas Held Here This Morning

Final rites for Mrs. Catherine Bonifas, prominent Upper Peninsula resident, were held at 10 o'clock this morning at St. Joseph's church, at a solemn requiem high mass, coram episcopo.

The Most Rev. Thomas L. Noa, Bishop of Marquette, presided at the funeral mass, occupying the Bishop's throne in the sanctuary. The Very Rev. Fr. Joseph Guerin, of Saulx Ste. Marie, was first assistant to the Bishop at the throne; Rev. Fr. Sebastian Maier of St. Ann's parish, Escanaba, second assistant; and Rev. Fr. Joseph Dunleavy, Marquette, master of ceremonies at the throne.

The celebrant of the funeral mass was Rev. Alphonse Wilberding, O. F. M., pastor of St. Joseph's church. Other officiators of the mass were Rev. Martin Melican, St. Patrick's, Escanaba, deacon; Rev. Arnold Thompson, St. John the Baptist, Garden; subdeacon Rev. Varin Slacko, O. F. M., St. Joseph's, master of ceremonies.

## Drive For June 19 Adjournment To Be Pushed In Senate

Washington, May 28 (AP)—Republican leaders today asked Senate committees to abandon all except "emergency" meetings in a drive for a June 19 adjournment of Congress.

Chairman Taft (R-Ohio) announced the GOP policy committee's decision, laying down this immediate legislative schedule for the Senate:

Complete action on the bill to admit 200,000 displaced persons to this country.

Take up the proposed revival of the draft law.

Consider a resolution by Senator Vandenberg (R-Mich) to aid any western European defense alliance that might be formed.

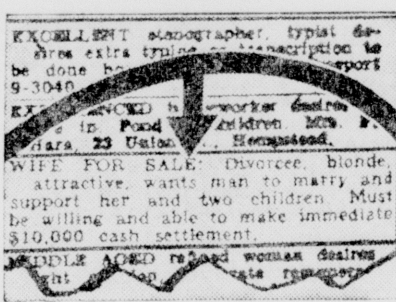

## Teacher Of Marines For Rough Fighting, Col. Biddle, 73, Dies

Syosset, N. Y., May 28 (AP)—Col. Anthony J. Drexel Biddle, 33, a Philadelphia millionaire who became one of the world's foremost experts in hand-to-hand combat, died yesterday.

He taught U. S. Marines in both world wars the fine arts of jujitsu, knife stabbing, eye-punching, strangulation and bayonet fighting.

A noted socialite and sportsman, Biddle was at various times an author, newspaper reporter, publisher, corporation executive, amateur boxer, singer and religious worker.

He was the father of Anthony J. Drexel Biddle, jr., now a co-

lonel with U. S. occupation forces in Germany and formerly American minister to Norway and Ambassador to Poland.

The elder Biddle died at the home of another son, Livingston Ludlow Biddle, 2nd, who said his father's death was caused by uremic poisoning, followed by a cerebral hemorrhage.

Other members of the Catholic clergy attending the services, including representatives of the University of Notre Dame, Marquette university and St. Norbert's DePere, Wis., were:

Rev. Thomas Ruppe, St. Patrick's, Escanaba; Rev. Emil J. Beyer, Holy Family, Marquette; Rev. Joseph F. Carroll, S. J., of Marquette university, Milwaukee; the Very Rev. D. M. Burke, O. Praem., and Rev. Thomas G. Fox, O. Praem., of St. Norbert Abbey, DePere; Rev. N. P. Loehr, S. J., Rev. M. G. Barnett, S. J., and Rev. A. W. Walters, S. J., of Marquette university, Milwaukee; Father Paul Prud'homme, S. J., Marquette; Rev. R. J. Hogan, St. Mary's, Appleton, Wis.; Rev. Jerome Larsen, St. Andrew's, Naima; Rev. C. J. LePine, St. Ann's, Escanaba; Rev. John J. Reddington, C. S. C., Rev. John H. Murphy, C. S. S. Rev. A. Leonard Collins, C. S. C., University of Notre Dame, Notre Dame, Ind.; Rev. Eugene Hennelly, Iron River; Rev. Howard V. Dvolet, St. Patrick's, Escanaba; Rev. Joseph Seifert, Guardian Angels, Crystal Falls; Rev. Michael Hale, St. Francis hospital, Escanaba; Rev. William Oremus, St. John's, Garden.

Honorary pallbearers of St. Joseph's altar society were Mrs. Rose Pfeister, Clinton Pfeister, Harold Fredrickson, Kelly Johnson, Irvin Cashin and John H. Maier. Active pallbearers were Mayer Jacobson, John J. Bartel, James E. Frost, Robert LeMire, Victor Lemmer, Nevin Reynolds, George Petry and John G. Erickson.

Surplice and Mr. and Mrs. Edward Berners, Green Bay; Leslie Sensenbrenner, Mr. and Mrs. George Petry, Neenah, Wis.; Mrs. Edward Cressell, Miss Myrtle LeMire, Chicago and Mr. and Mrs. Victor Lemmer, Ironwood.

Arrangements were in charge of the Boyce funeral home.

The celebrant of the funeral mass was Rev. Alphonse Wilberding, O. F. M., pastor of St. Joseph's church. Other officiators of the mass were Rev. Martin Melican, St. Patrick's, Escanaba, deacon; Rev. Arnold Thompson, St. John the Baptist, Garden; subdeacon Rev. Varin Slacko, O. F. M., St. Joseph's, master of ceremonies.

The sermon by Msgr. Zryd

The sermon of the funeral mass, lauding Mrs. Bonifas' exemplary Christian life, was delivered by Msgr. Zryd.

St. Joseph's choir sang the music of the requiem, with solos by George Ammel. At the offertory "Domine Jesu Christe" was sung by Frank Hinn, and as the body was removed from the church the choir sang "Benedictus." Miss Eva Cossette was organist-director.

Bishop Noa gave the final obsequies after the mass.

The committal services were held in Holy Cross chapel, which was Mrs. Bonifas' gift, the first to be held in the beautiful building now in the final stages of completion. At the service, Bishop Noa pronounced the obsequies, with the Very Rev. Fr. Guertin and Father Maier, assistant priests. The responses were sung by the members of the clergy and each blessed the body before departing.

At the close of the committal the body was placed in the Bonifas family mausoleum in Holy Cross cemetery, near the site of the chapel.

Present in the sanctuary were the Rt. Rev. Joseph Zryd, V. G., of St. Michael's Marquette; and the Rt. Rev. Abbot Pennings, O. Praem., of St. Norbert's, West DePere, Wis.

## Arias Is Elected Panama President; May Not Get Office

Panama, Panama, May 28 (AP)—Arnulfo Arias Madrid won the presidency of Panama today on the basis of complete unofficial return from the May 9 election, but whether he will actually get the job remains uncertain.

The supreme court is expected to decide today on his eligibility to run for office. The national election jury must rule on challenged votes and count all ballots before the results become official.

Arias, 47-year-old Nationalist leader who was forced out as president in a coup d'etat in 1941, had a lead of 1,362 votes over Domingo Diaz Arosemena, 74, candidate of the Liberal (government) party, in the unofficial count.

Arias' eligibility to seek office was challenged on the grounds that the constitution bars anyone elected as president from running until two terms have elapsed from the date he last held office. He was elected in 1940—the last president chosen by popular ballot.

## Last Jews Are Routed From Old Jerusalem

(Continued from Page One)

Arab foot troops were sent in to root them out. The Jews held out in the face of shelling and dynamite charges before the Arab infantry was called up and instructed to "accept unconditional surrender or wipe out the enemy."

(P) correspondent Joseph C. Goodwin reported from Jerusalem the surrender took place at 2:30 p. m.

Under the surrender terms the old city's women and children, estimated to number about 300, and the old men of the Jewish quarter will be turned over to the International Red Cross.

The younger men will be placed in a concentration camp outside Palestine, it was announced.

## Self Rule Started By South Koreans Without Prodding

Seoul, May 28. (AP)—South Koreans have taken the initiative in self government and, without prodding from the Americans, have named Dr. Syngman Rhee temporary chairman of their new national assembly.

The action was taken yesterday at an unheralded caucus of 140 of the 200 elected members. The assembly opens Monday.

Rhee, veteran rightist fighter for Korean independence, received 109 votes, said an official American observer. The caucus had not been publicly announced beforehand.

The former chairman of the old interim legislature called the caucus.

It was the first independent act

of self-rule by Koreans since the Japanese took over the country in 1904.

The caucus also invited Lt. Gen. John R. Hodge, U. S. commander in South Korea, to address the assembly.

Meanwhile, Maj. Gen. William F. Dean, military governor, ordered

a new election June 23 in two districts on Cheju Island because Communist terrorists prevented more than 50 per cent of the registered voters from balloting.

A 2000-hp, ram-jet airplane motor so light one man can lift it is predicted.
